### **Preparation for Your Hunt**

You need to know that this is a physical hunt and you will need to be or get in pretty good shape. You will be walking and riding horses and/ or mules every day while you are hunting. We recommend that the minimum requirement is walking at least 3 miles every day for no less than two months prior to your hunt. We also recommend that you ride a horse at least three times for at least one hour prior to your hunt. These are minimum recommendations.

### **Getting Your Hunting License**

In order for you to hunt with us you will need to apply for a hunting license, **and we will assist you with that over the phone.** *If you choose to apply on your own and are unsuccessful for any reason, you will forfeit your deposit refund option.* The deadline for your application depends on what species you are hunting. Your application needs to be in the Wyoming Game and Fish office in Cheyenne on the application due date. The amount that you will pay to Wyoming Game and Fish for a nonresident hunting license varies by species. Please contact us for more information.

If you do not draw a license, the State of Wyoming will refund the amount of the tag minus the processing fee. If you apply for a hunting license as stated above (**with our assistance**) and do not get drawn, we can hold your deposit for the next year or we can refund the entire deposit - whichever you prefer. After you draw your Wyoming hunting license, you will need to pay half of the remaining balance of your hunt. 30 days prior to the start of your hunt, you will be billed for the remaining balance plus the 3% Forest Service fee. The 3% Forest Service fee applies to the entire cost of the hunt.

### ABOUT YOUR HUNT

We will provide all of the horses, mules, gear, food, wall tents, cots with a foam pad and a wood burning stove in your tent. This is a fully outfitted hunt. Alcoholic beverages are not provided. Our staff will include a cook, camp jack to do the chores around camp, a wrangler to care for the horses and mules, and a professional licensed guide that will accompany you on your hunt. A light breakfast, hot or sack lunch, and dinner will be provided. You will need to bring your personal gear including your rifle and ammo or your bow and arrows as well as a sleeping bag, clothes, backpack, etc. A detailed list of specific gear that we recommend will be sent to you after you draw a license.

Just to make sure that you are aware, the Cook, the Wrangler, Camp Jack, and your Hunting Guide normally get tipped by the hunters. You can contact Rick Trizano at (914) 2241350 or Nick Trizano at (914) 557-5754 to discuss amounts if you wish. You will need to pay for transportation to Cody, WY. You will need to reserve and pay for your hotel room prior to and after your hunt. If we are not in the mountains, we can pick you up from the airport but if we are still in the mountains the Hotel you choose to stay at will most likely have a shuttle that can pick you up from the airport. On the date of your hunt, we will meet you in Cody early in the morning and bring you to the trailhead or if you have a vehicle, you can follow us to the trailhead - there is plenty of parking. From the time we leave the trailhead on horseback, it will take about 7.5 to 8 hours to get to camp. Our camp is located in the Teton Wilderness and special rules restrict the use of modern machines. We will have a Satellite phone for emergencies. On our 8-day hunts, the first and last days are travel days to and from camp with 6 full days of actual hunting. When your hunt is over, we will take you, your personal gear and your trophy, meat, and cape back to the trailhead. If you wish, we will take your meat to a processor and your horns and cape to a taxidermist in Cody. From there, you will be responsible for the fees and transportation of your meat and taxidermy work.

### UNDERSTANDING YOUR DEPOSIT

**Deposits are nonrefundable, EXCEPT if you allowed us to assist with your Wyoming hunting license application and are unsuccessful in drawing a license.** You may either leave your deposit with us, which we will roll over to the following year or request a refund of the booking deposit. You will receive your refund within 60 days of receipt of refund request. Once a deposit is paid and a Wyoming license is issued, you are responsible for the entire cost of the hunt. There are absolutely **no** refunds on any payments received. No rate reductions or extra days will be given if hunters leave before the conclusion of their hunt or fail to arrive at the prearranged dates.

We are not booking you at this time for your hunt. We are simply reserving a spot for you. The actual booking of your hunt will happen after you draw a hunting license. The \$1500.00 deposit will be applied to your hunt cost. If you have any questions, please call Rick (914) 224-1350 or Nick at (914) 557-5754

I have read this and understand and am in agreement.
